

Camden Council

Decision Notice

Town and Country Planning Act 1990, Section 192

Lawful Development Certificate - Proposed use: Granted

Applicant	Harvey Flinder
Application number	26-00224-LDCP
Application received	5 January 2026 00:00
Decision date	1 May 2026 00:00
Site address	11, BARTHOLOMEW VILLAS, LONDON, NW5 2LJ
Use/development	Erection of rear greenhouse

We certify that on the date of the application, the proposed use or operations described in the application and supporting plans were lawful for the purposes of S.192 of the Town and Country Planning Act 1990.

The application is granted due to the following reason(s):

The proposed development complies with the criteria and conditions for 'permitted development' under Class E of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) Order, vis:

Development NOT permitted

E.1 Development is NOT permitted by Class E if—

(a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class [F1G,] M, [F2MA,] N, P [F3, PA] or Q of Part 3 of this Schedule (changes of use); - NO

(b)the total area of ground covered by buildings, enclosures and containers within the curtilage (other than the original dwellinghouse) would exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse); - NO

(c)any part of the building, enclosure, pool or container would be situated on land forward of a wall forming the principal elevation of the original dwellinghouse; - NO

(d)the building would have more than a single storey; - NO

(e)the height of the building, enclosure or container would exceed:

(i)4 metres in the case of a building with a dual-pitched roof - NO - N/A

(ii)2.5 metres in the case of a building, enclosure or container within 2 metres of the boundary of the curtilage of the dwellinghouse, - NO

(iii)3 metres in any other case; - NO - N/A

(f)the height of the eaves of the building would exceed 2.5 metres; NO

(g)the building, enclosure, pool or container would be situated within the curtilage of a listed building; NO

(h)it would include the construction or provision of a verandah, balcony or raised platform; NO

(i)it relates to a dwelling or a microwave antenna; NO

(j)the capacity of the container would exceed 3,500 litres; NO - N/A

(k)the dwellinghouse is built under Part 20 of this Schedule (construction of new dwellinghouses): NO

Informatives:

1. Highways (all consents)

This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

2. Biodiversity Net Gain (BNG 1)

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition ("the biodiversity gain condition") that development may not begin unless: (a) a Biodiversity Gain Plan has been submitted to the planning authority, and (b) the planning authority has approved the plan. The local planning authority (LPA) that would approve any Biodiversity Gain Plan (BGP) (if required) is London Borough of Camden. There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These are summarised below. Based on the information available this permission will not require the approval of a BGP before development is begun because the planning permission is a minor application within the de minimis exemption threshold. If the onsite habitat includes Irreplaceable Habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements. The BGP must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat. The LPA can only approve a BGP if satisfied the adverse effect on the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits. If planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 and a BGP was approved in relation to the previous (parent) planning permission ("the earlier BGP") there are circumstances when the earlier BGP is regarded as approved for the purpose of discharging the biodiversity gain condition subject to which the section 73 planning permission is granted.

3. Biodiversity Net Gain (BNG 2)

+ Irreplaceable habitat: If the onsite habitat includes Irreplaceable Habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements. In addition to information about minimising adverse impacts on the habitat, the BGP must include information on compensation for any impact on the biodiversity of the irreplaceable habitat. The LPA can only approve a BGP if satisfied that the impact on the irreplaceable habitat is minimised and appropriate arrangements have been made for compensating for any impact which do not include the use of biodiversity credits. ++ The effect of section 73(2D) of the Town and Country Planning Act 1990 If planning permission is granted under section 73, and a BGP was approved in relation to the previous planning permission ("the earlier BGP"), the earlier BGP may be regarded as approved for the purpose of discharging the biodiversity gain condition on this permission. It will be regarded as approved if the conditions attached (and so the permission granted) do not affect both the post-development value of the onsite habitat and any arrangements made to compensate irreplaceable habitat as specified in

the earlier BGP. ++ Phased development In the case of phased development, the BGP will be required to be submitted to and approved by the LPA before development can begin (the overall plan), and before each phase of development can begin (phase plans). The modifications in respect of the biodiversity gain condition in phased development are set out in Part 2 of the Biodiversity Gain (Town and Country Planning) (Modifications and Amendments) (England) Regulations 2024.

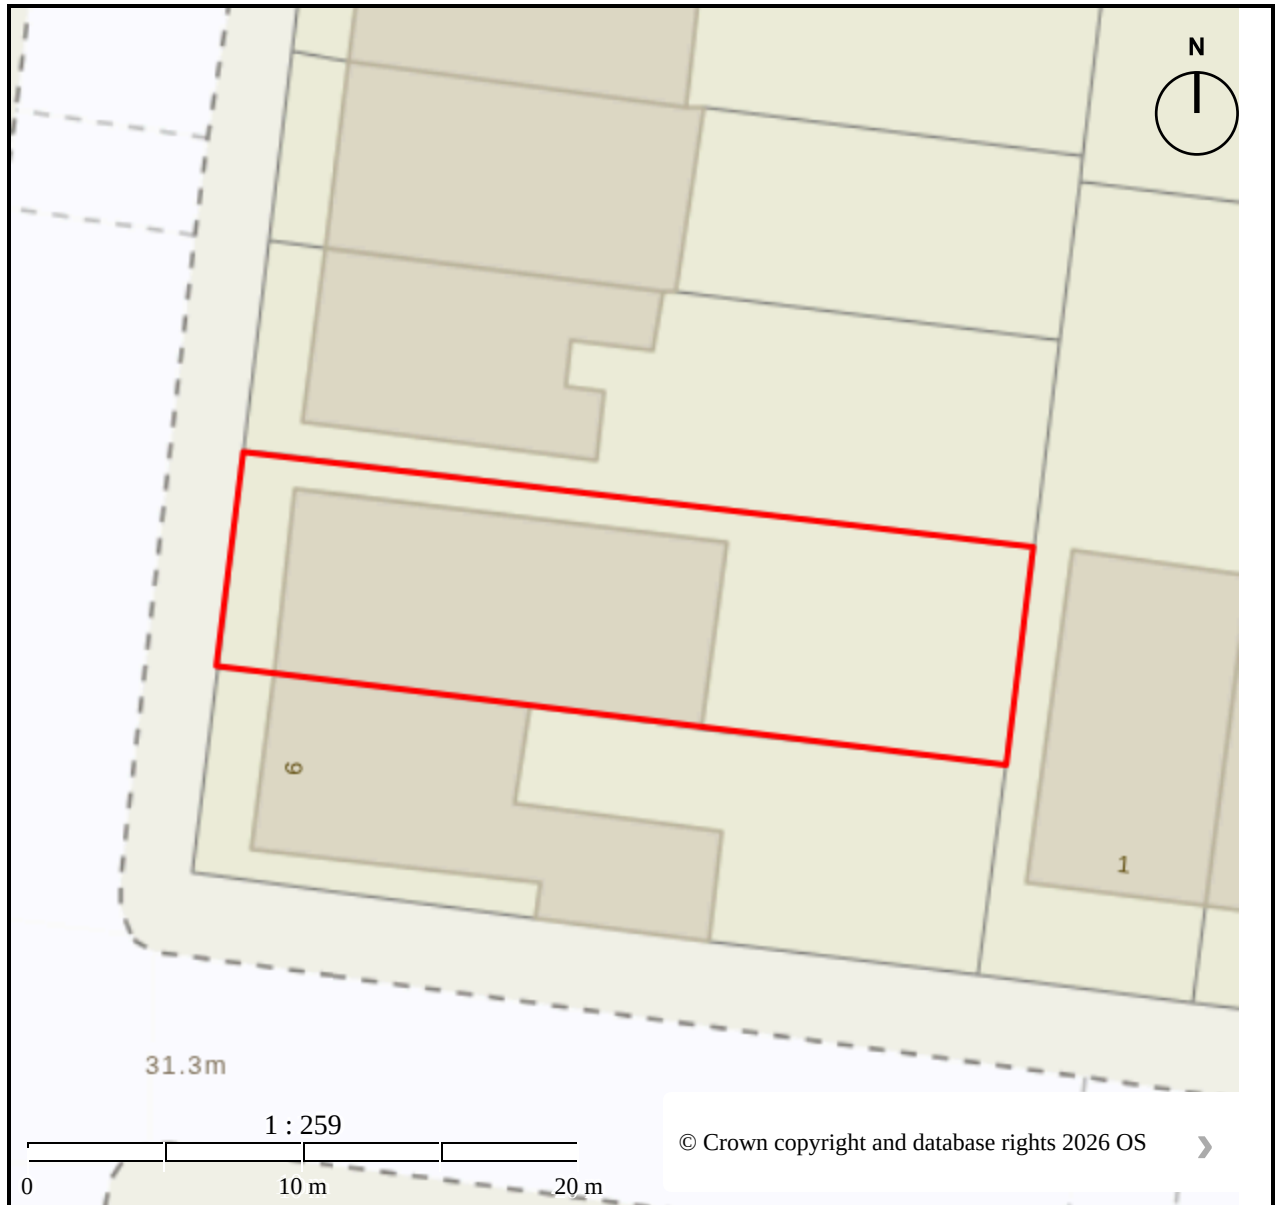

4. Building Control: general all-purpose informative

Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

This decision is based on the following plans:

TOWN & COUNTRY PLANNING (APPEALS) (WRITTEN REPRESENTATIONS) (ENGLAND) (AMENDMENT) (REGULATIONS 2013)

TOWN AND COUNTRY PLANNING ACT 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your Local Planning Authority's decision, then you must do so within 12 weeks from the date of this notice for appeals being decided under the Commercial Appeals Service and 6 months from the date of this notice for all other minor and major applications.
- However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:
 - 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
 - 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).
- Appeals must be made to the Planning Inspectorate and this can be done electronically via the GOV.UK website: <https://www.gov.uk/appeal-planning-decision> (<https://www.gov.uk/appeal-planning-decision>)
- If you are unable to appeal online, you can obtain a paper form from the Planning Inspectorate by contacting their Customer Support Team on 0303 444 5000.

Commercial Appeals Service

- This type of appeal proceeds by way of written representations, known as the "Commercial Appeals Service". Third parties will not have the opportunity to make further representations to the Planning Inspectorate on these.

All other Minor and Major Applications

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless

there are special circumstances which excuse the delay in giving notice of appeal.

- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based on their decision on a direction given by him.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to development land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
