

GENERAL NOTE
 All building work to comply with SANS 10400.
 Figured dimensions to be used in preference to scaling. This drawing is to be read in conjunction with other documents and/or documents by other Consultants. Contractor to verify all dimensions, levels and quantities on site prior to putting any work to hand. Specified tradenames may be substituted for 'equal or approved' subject to Architects confirmation. Contractor to adhere to all SABS codes and manufacturer's instructions. Any discrepancies to be reported to the Architect immediately. Copyright © reserved.
